GIRL JUMPS FROM TRAIN.

Woman Turns Somersquits But Lands Feet Down Twice.

Chester, Pa., March 26 .- "Sure, Mister Conductor, I must get off here, and if tunities for the employment of capital There is to be a distinct change, also, you don't stop I'll jump off," declared and labor in the development of the nat-Mary Harris, a domestic, who is employed in a Prospect Park family, when tions to American labor, the level of the large of the learned that the train upon which wages in this country would gravitate tions with breas bands any more," said

as she blade a break for the rear platform, and before the conductor or brake,
man could stop her the girl jumped
from the train. She alighted upon her
feet, turned a complete somersault, but
was on her feet again in an instant. The
train, was stopped and lacked to the
station, the conductor thinking the girl
had been, injured.

"You might, just as well have stopped for me in the tirst place," angrily
crica, Mary when one of the trainmen
inquired if she was burt.

THEY INJURE CHILDREN

Ordinary Catharties and Pills and Harah Physic Cause Distressing Complaints.

You cannot be over-careful in the selection of medicine for children. Only the very gentlest bowel medicines should ever be given. Ordinary pills, catharties and purgatives are too apt to do more liarm than good. They cause griping, nauses, and other distressing after of

nausea, and other distressing after effects that are frequently health destroying and a life lasting annoyance.

We personally recommend and guarantee flexall Orderlies as the saiest and most dependable remedy for constipation and associate bowel disorders. We have such absolute faith in the supreme virtues of this remedy that we sell it on our guarantee of money back in every instance where it fails to give entire attrafaction, and we arge all in peed of such medicine to try it at our risk.

Rexell Orderlies contain an entirely new ingredient which is odorless, tasteless and enforcess. It embraces all the best qualities of the soothing, laxative, strengthening and healing remedial active principles of the best known intestinal regulator topics.

Rexall Orderlies are extremely pleas-

tinal regulator topics.

Rexall Orderlies are extremely pleasant to take, are particularly prompt and agreeable in action, may be taken at any time, day or night; do not cause diarrhoed, nausea, griping, excessive looseness, or other undesirable effects. They have a very natural action upon the glands and organs with which they come in contact, act as a positive and regulative tonic upon the relax, dry muscular coat of the bowel, remove irritation, dryness and soreness, overcome tation, dryness and soreness, overcome weakpess, and tone and strengthen the nerves and muscles, and reatore the bowels and associate organs to more vigorous and healthy activity.

Rexall Orderlies not only cure constipation, but they remove the cause of this pation, but they remove the cause of this allment. They also overcome the necessity of constantly taking laxatives to keep the bowels in normal condition.

There is really no similar medicine so good as Rexall Orderlies, especially for children, aged and delicate persons. They are prepared in tablet form and in two sizes of packages; 12 tablets, 10c, and 36 tablets, 25c. Rickert & Wells, The Red Cross Pharmacy, Miles granite block.

Plea for Crumbpacker, Leading Downward Revisionist

ON WAYS AND MEANS

Farmers From Duty More Than Offset by Lower Cost of Shoes,

Harness, Etc.

Washington, Marc2 26. Declaying that (he chief commendatory feature of the Payne tariff bill is the placing of certain the flag, which ordinarily is floated only crude raw materials used in manufacture whn the House is in session. on the free fist. Representative Crumpacker of Indiana, the most pronounced WILL NOT HUNT downward revisionist among the Republican members of the ways and means ommittee, in a speech yesterday disused at length some of the most important schedules in the new measure. He said that tariff bills are peculiarly the result of compromise, and he had no doubt the Payne bill is a great improvement over the Dingley law.

300 410 380-1180 in the cost of production, combinations ment of justice.

protective tariff is to increase oppor isdiction of the attorney general.

The conductor smiled and told the girl to keep up a high standard of wages left will be equipped with Maxim size would not stop for her. "But I'll pass you buck," he said.

"Pless me nothing," exclaimed Mary, as ahe made a break for the rear platform, and before the conductor or brake.

The conductor smiled and told the girl to keep up a high standard of wages left will be equipped with Maxim size lencers. The new method may not be or dramatic, but we believe it will prove much more effective."

L'inder the news system the special attorneys will be directly amenable to order from the department of justice. any country, and because its 90,000,000 that of almost half the entire popul L'Enfant Exercises Authorized to Be lation of the globe,

"The theory of the free raw materials doctrine," he continued, "is that it promotes the greatest development of in-duties, and gives the greatest opportuni-

a handleap upon American inanufactur-ers for the export trade. They operate to protect competitors in the neutral markets by seriously increasing his cost of production. There is no great pro-ducing country in the world, except the United Stacts, that does not give its manufacturers the benefit of free raw materials.

Defends Free Hides.

He made a lengthy argument in favor of free bides, asserting that the duty on hides has increased the cost of shoes for the wage carner, but has not created any demand for additional capital nocreated employment for a single additional laborer. The average farmer, he contended, will derive more direct benefit in the decreased cost of boots, shoes, harness, and other leather products, than be now derives from the tariff on cattle

Mr. Crumpacker declared that many spect to materials, could well afford to pay the high scale of American wages and still become important factors in the open markets. He proposed, as a means of expending our trade with South America, that raw materials from that continent be admitted free, to be made into first highest method to be traded and Crane Accept to the United States, and its readmission, after being roasted, into Cuba as the produce of American industry.

BOTH AGREE TO DR. ELIOT. made into finished products in the United Lodge and Crane Assent to His Name States and sold back to the South Ameri-Going to Senate as Ambassador.

States and sold back to the South American countries. He said the drawback provision of the Payne bill will tend largely to increase export trade.

Attacking the "tariff for revenue only" policy of the Democratic party, Mr. Crumpacker declared this to be a sham and a fraud. He discussed the maximum and minimum provision of the Payne bill and declared it o be a wise provision.

"I predict for this bill," said Mr. Crumpacker, "if it shall be enacted into law, the sincere approval of all the people, of the country who are interested only in promoting the general welfare. Following its enactment. I confidently look for such a revival of industrial activity as will foreshadow another cra of prosperity more splendid, if possible, than that which follows." of prosperity more splendid, if possible, than that which followed the enactment of the Dingley law in 1807."

Jacksonville, Fla., March 26.—Fire started at one o'clock this morning in a three-story building on Forsyth street for a time threatened the entire busi-ness district. The fire department was called out in full force, and at three o'clock had the fire under control, after having confined it to the one building The loss is estimated at \$350,000, purtially insured.

STURGIS LAW STANDS. The Repeal is Refused By The Maine

Senate.

Augusta, Me., March 26.—By a vote of 22 to 8, which with two exceptions was strictly on party lines, the Senate was strictly on party lines, the Senate vesternlay refused to ropeal the Sturgis law, passed in 1905, for the better enforcement of the prohibitory liquor law. The Democratic members favored the repeal and the Republican senators opposed such action. One Republican senator, Mr. Baxter of Camberland, voted for the repeal, while one Democrat, Mr. Boynton of Lincoln, voted for its retention. The vote came on the acceptance of the favorable minority report to repeal the Sturgis act, the Senate refusing to accept it. The majority report, ought not to pass, then was accepted. Senator Staples was the only speaker for the repeal of the law, while Senator Looney was the only one who advocated the retention of the Statute.

TAFT ESCAPES MRS. NATION. She Appears at White House, But Got Out Without a Row.

Washington, March '26,-Carrie Nation wandered into the White House ex-centive offices and was "spotted" at once. Every one on duty remembered her.
